Press Release

East Hartford residents can now view their tax bills
online

East Hartford, July 27, 2010 – Mayor Melody Currey announced that the Town of East Hartford’s website now offers taxpayers access to their tax account information on-line. This system allows residents to search the tax collections database for: paid or unpaid accounts for the current or prior billing years, check up-to-date balances or balances due, view prior year account information, or pay their tax bills online. A tax bill viewing/printing option is available as well. This information is provided to residents on a secured website.

To access your information, simply go to the Town’s website www.easthartfordct.gov and click on the **Tax Inquiry** button under ‘most requested items’. Read through and agree to the disclaimer. You have the ability to search by name or property location. Click the radial button to show what information you want to display, i.e., all bills, current balance or balance due, and then click search.

Mayor Currey says, “It’s that simple. The Town is pleased to offer this lookup feature enhancement to our website.”
