Press Release

Mayor Currey announces “Green Committee”

East Hartford, April 16, 2008 – In consultation with Chairman Richard Kehoe, the Mayor has determined that there be a committee established on energy.

Mayor Currey is establishing an energy independence advisory committee called the “GREEN (Government Response to Energy Efficiency Needs) COMMITTEE” consisting of at least seven individuals and choosing one of them to serve as chairman.

The committee shall advise the Mayor on programs, projects and initiatives to reduce electricity use and increase the use of renewable sources of electricity for the town government, board of education, and commercial and residential property owners.

The Green Committee will prepare a report on its activities annually, beginning October 1, 2009 to the Mayor who will in turn send it as communications to the Town Council.

Anyone interested in serving on the Green Committee, please call the Mayor’s office, 291-7200 and request a form to submit back to the Mayor for consideration of appointment to the Green Committee. Or go to www.ci.east-hartford.ct.us and click on the Mayor’s Office and then the Green Committee.
