East Hartford, CT 06108

# Press Release

## Request Legislative Support for Levee Repairs

**East Hartford, August 23, 2007** – Mayor Melody Currey is asking East Hartford residents to contact their elected officials for financial support to make the required repairs to the levees/dikes in town.

In order to offset the expense to taxpayers, you should contact your congressional delegation to enlist their support and assistance in getting federal monies for our levees/dikes deficiencies. Relative to the situation in East Hartford, the federal monies would help to relieve the financial burden to businesses and residents if we are able to garner federal funds.
